

## 7<sup>th</sup> Annual

# APIC-MN Basic Infection Control Course

*April 10,11,12, 2008 Superior, WI*

*Sept 18,19,20 2008 Woodwinds Hospital, Woodbury, MN*

### CONFERENCE PURPOSE

This course is designed to provide basic infection control education for individuals entering the fields of Infection Control and Employee Health. Information will be provided for practitioners in all settings of health care including: Acute Care, LTC, Home Care, and Ambulatory Care.

### CONTINUING EDUCATION CREDITS

This program has been designed to meet continuing nursing education credits. It is the responsibility of the participant to determine if it meets their needs. A certificate of attendance for **24 contact hours** will be given to each participant at the course conclusion.

### REGISTRATION INFORMATION

Send registration form and fee to Jeanne Anderson. (*see enclosed form*) **Assume your registration is accepted unless otherwise notified.** A **\$15.00 late registration fee** will be assessed after **March 27<sup>th</sup> for the April course, or Sept. 4<sup>th</sup> for the Sept. course.** Cancellations received **Mar 27<sup>th</sup> or Sept. 4<sup>th</sup>** will not be refunded. The registration fee includes tuition and course materials for each day attended. **There must be at least 12 attendees with a maximum of 20.** *Call Jeanne Anderson 651-201-5557 with any questions or the local ICP listed below.*

### INSTRUCTOR

Gayle K. Gilmore, RN, MA, MIS, CIC, Infection Control Educator and Consultant. Gayle worked at Miller-Dwan Medical Center in Duluth for many years. She has been a Head Nurse, Educator, Writer, Clinical Nurse Specialist, & Consultant. She has served on numerous committees both for APIC-MN & APIC-National and teaches at the state, national & international level. Gayle is a wonderful asset to the APIC organization!

Her easy going style & ability to make complicated material easy to understand illustrates why she was chosen as the Instructor for this course. Additional biographical information available upon request.

### OBJECTIVES

At the conclusion of this three day conference, the successful participants will be able to:

1. Assume the functions of a new infection control practitioner.
2. Describe & demonstrate the ability to use multiple resources to fulfill the ICP role.
3. Prioritize the multiple duties & roles of the ICP.

### ASSIGNMENT

**All attendees will be asked to give a 5-10 minute talk with the topic to be sent after registration.**

### TEXT

The "APIC Text of Infection Control & Epidemiology" is **REQUIRED** to be **BROUGHT** by attendees. (available through APIC-National) **202-789-1890** or [www.apic.org](http://www.apic.org)

*Member/Nonmember pricing:*

*Paperback- \$375/ \$475 , looseleaf \$475/ \$525*
